

Kenneth Lloyd Hoffmeyer

February 11, 1937 - November 3, 2015

Hoffmeyer, Kenneth Lloyd, age 78, a longtime resident of Royal Oak, passed away November 3, 2015 at his home. He was born February 11, 1937 in Detroit to the late Lloyd and Helen Hoffmeyer. Ken was a 1955 graduate of Royal Oak High School. He had developed a love of music at a young age, and played trumpet in his high school marching band and sang in the church choir. He enjoyed many things during his life, including scuba diving, camping, square dancing, model trains, boating and watching the History channel. He also liked spending time at his property up north. Owning a landscaping business and newspaper route, Ken was never afraid of hard work; although he was a little attached to his recliner at times! He was a good man, with a big heart, who would help anyone. He was the beloved husband of Patricia (Hand); the couple married June 20, 1992 in Kissimmee, Florida; loving father of Kym (Steve) Davison, Susan Hoffmeyer, Mandy Walters, James (Anna-Lisa) Walters, Brian (Joyce) Walters and Jason Walters; dear brother of Carol (Larry) Powers; proud grandfather of 14 grandchildren and four great grandchildren.

A memorial service will be held Monday 11 a.m. at Christian Memorial Cemetery, 521 E. Hamlin Road, Rochester Hills. Share your memories at www.sullivanfuneraldirectors.com.

“ *To the family of Kenneth Hoffmeyer: Please accept my sincere sympathy for the loss of your loved one. He sounds like someone I would have loved to be around. We don't know each other but experiencing the devastation of losing a loved one is something we unfortunately all face in our lives. We recently also lost someone we love. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time as it did for us.*

“ *To a friend who was going through the same things I was going through, it was nice to chat and share stories, you made my sadder days feel better. I know you loved to go up north, loved family and friends, I knew when I got on the phone it wouldn't be for 5 or 10 minutes so I would have to time it so I could still be able to get to bed in time for work the next day, it would usually last about two to three hours or until one of our phone batteries would die out or one of us needed a bathroom break. Will miss being able to call you. In loving funny memories Mark Lampert*

“ Dear Ken---You were always fun to be around, and never, ever at a loss for words. I have so many memories of you, and will miss you sooo much. I remember you always "allowed" me to tag along with you and Patty, and I am forever grateful for you sharing all those times, and welcoming me into your family time. I remember so many laughs, and although I won't share them on here, I know that you know all the things I am thinking about right now!!!! I will do everything I can to help Patty get through this difficult time, she has lost her "other half", and I know she will be lost without you. You would be proud at how the "kids" are supporting her, and helping her with their love, for her and for you! My first thought after getting over the shock of you leaving, was that you and Michael were together again, and I hope you both are enjoying each others company up there as much as you did down here!!! I miss you already, my good friend, but your memories help to make me smile through the tears. Much love always, Deb
