“ *On 8-2-2022 Ken and I were on a cruise ship with our Golden K Kiwanis Club. We were out in Lake Huron when there was a medical emergency and the captain had Ken take over the wheel while he delt with the situation.
Calm seas and fair sailing dear friend.*

“ *One memory I have of Kenny is from the Farley cabin on Crozier Hill in Lupton. Sometime in the early 1960's, when he was an MP in the Air Force, he brought his service sidearm up to the cabin. There was a tree which Grandpa Farley wanted downed. Kenny calmly walked out and, from 20 yards or more, shot the tree until it crashed down. Upon inspecting the stump, each shot was in a clear line and evenly spaced. To this day, I am still in awe of how cool and confident he was, always! My coolest cousin, I will miss you and Juanita always.*

“ Ken was a fellow Kiwanian and neighbor. He was always so supportive and encouraging. When I was President of the Kiwanis Club, Ken and Juanita showed up in their convertible for one of the club picnics. They told me they weren't planning on coming because they were getting ready to leave for a vacation but they wanted to support me. He will be greatly missed. My prayers are with his family 🙏
