“ Just got the news. My sincere condolences to Ken's family, especially his Mom. I lost touch with Kenny 25 years ago, but will remember him as a good friend, funny and honest and always trying to do the right thing. Someone who wanted those he cared about to do well. Also tough as nails. I am fortunate to have known him.

“ My sincerest condolences go out to Kenny's parents, wife, family and friends. He will be missed greatly. I haven't seen Ken in many years however when we were younger we had a lot of great times. In regard to sports we played varsity football and baseball together. He was a great athlete and truly an incredible batter. The best two strike clutch hitter I ever saw. Rest in peace Ken. Gone way too soon.
