“ I knew Kenny through Xbox. He became my bestest friend in the 2 years i knew him. I would tell him anything and he would be there to listen. I loved him so much . when I found out he had lost his baby daughter I made a custom necklace for him to cherish. I really hope he went to heaven with it. Kenny this world will not be the same without you. You impacted so many lives . I wish I would of had the chance to actually meet you but we will one day soon. “ *I have the best memories of little Kenny (yes, he will always be little Kenny to me) spending weekends at my house with Michael. They loved to play together. And I'll never forget the Christmas at grandma and grandpas, Kenny got the Fisher Price Drill. He was soooo excited! He stood right up and tried to drill a hole in Michaels head! Oh, and let's not forget his yang, yang. 💔. I will forever miss you buddy. Aunt Kim*

“ *To the family of Kenny Barr: Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.*
