“ Kevin was a great mentor to me when I first started working in the Insurance Industry as an Intern. I remember all of the great guidance he gave me on some project work and presentations I had to give. He even took the time out of his schedule to attend my presentations for support. I still use a lot of what he taught me then today. He was a great person and someone who I always trusted early on in my career to get advice from. I just found out about his passing today and wanted to tell a little story of how Kevin has been and still is a positive influence on my life.

“ I really took the loss of my good friend Kevin really hard. Who is as much a family member to me as anybody else even though not legally. He was a guy that i really looked up to growing up seeing him every holiday and special occasions, he really gave me some great memories and food for thought. Like the time when i first got my guitar and we took it down to the basement and had a little jam session where he taught me the few things he knew about it at that point in time and gave me his amp to get started on, which i still use to this day and everytime I see it i will think about him and smile at the times i spent with him. I'm pretty sure I'm running out of room or I could go on forever about things i remember about Kevin. He will be missed greatly by all who knew him.

“ To my Sister, Julie, and Kevin's family, We were so honored to have Kevin as a part of our family over the past years. Although geography kept us from seeing each other as often as we would like, we all shared many fond memories, mostly revolving around the holidays. We will always remember ice skating on Fountain Square, guitar jam sessions with Kyle, playful "fighting" with Megan, and countless trips to Starbucks. Our thoughts and prayers are with everyone who knew and loved Kevin.

“ Kevin was a wonderful addition to our family. His sense of humor and ability to play made him a favorite Uncle. According to my son Ben, he was the best guy he ever met. I think that there are many who knew Kevin who would agree with him. We love you and will miss you, Kevie.

“ To Julie & the Stock Family, We are praying for you all in this time of sorrow. Please know that God will give you the strength to endure. My fondest memory of Kevin is when he generously gave me all of his bedroom furniture and helped me move it years ago! He was a great man! ...And yes we still have the furniture. God Bless.

“ I couldn't ask for a better big brother than Kevin. I feel blessed to have had him in my life. I will continue to be inspired by his drive and his love of a good laugh. As I write this I can almost hear one of his belly-laughs following Julia's or Sam's antics. I will miss his wrapping-paper-tube sword fights, his endless appreciation of the beach and the way he could have the fun of a child even as an adult. I'll always love him.
