Kevin J. Zwick, age 57, resident of Warren, MI, made his transition on March 13, 2021 in Hartland, MI. Loving Uncle to Michael, Megan, Trevor, Ethan, Raquel and Great Uncle to Wyatt and Willow. Kevin cherished his family and friends as they did him. “ Our dear friend Kevin. We miss him every, single, day. We worked with Kevin following his initial cancer surgery and immediately became fast friends. Kevin was determined to use natural protocols to help him heal after doing standard of care treatments that caused many challenging side effects. My partner, Marco and I have a Nutraceutical Laboratory in Southern California and we work with people like Kevin. But the truth is, there really aren't many people like Kevin.

Kevin passionately believed in what my partner and I are doing to help people heal more naturally, and he supported us, like no one else.

As a devout Christian, Kevin had a strong belief in prayer and God, but his spirituality went much deeper than most. He turned his prayer into action, he knew that for him, praying wasn't enough and that in order to live his life with honor and purpose, he needed to give back. And give he did. He sacrificed his own comfort to support our non-profit to help children with deadly cancers. He gave until it hurt because that is who he was. He knew that in order to help us further our research, we needed him. And he showed up, again and again and again.

Kevin was our friend, Kevin was our Brother. We are deeply saddened by this huge loss but so grateful to have called him friend. Kevin's selflessness, resilience, strength, bravery and love taught us to be better people and we know he is with us in all that we do as we continue to find better, less toxic options for Cancer patients.

We will continue to fight, in your honor. YOU have helped us save lives and will continue to do so. You inspire us every, single day with your remarkable kindness and generosity and when the going gets tough...we will continue to "Give like Kevin" because as you know, it is in the giving that we receive.

Kevin, our Pirate Brother, we love you always Mate!

Your forever friends, Lisa-marie and Marco

“ *Kevin has Progressed on in his eternity, those we know and love him will find comfort, in the fact that they can join with him in conversation and communion at any time they wish. Share fun or loving thoughts of Kevin, and with Kevin. He will welcome your memories.*

“ *I first met Kevin about 30 years ago. Over that time we shared a lot of good times together, such as bon fires, bbq's, trips to the track, camping, canoeing, weddings, deer hunting, baseball games and the list goes on and on. But most importantly we shared a sincere friendship!*

There isn't enough space on this page to tell stories about him. If Kevin was there... something crazy was going to happen and this is what made him fit in so well with our group of friends. We'll all miss his physical presence but will always have his memories. I consider myself lucky to have had Kevin in my life. Rest In peace my friend!

Tears served their purpose today as in mourning I gripped Kevin's hand. God is so good that in the transition of a soul, there always is something indelible left. Thank you Kevin from someone you never met.

“ I have the most vivid memory of rubbing your head and calling you "baldy" when I was a kid, though I am sure that happened a lot. Ethan and I sure were interested in your head. We were "fruit loops" but sometimes I would be "sweet pea." You are a great uncle, always proud of us, and always around to be silly with.

You asked me to draw this St. Raphael picture for your birthday one year. I hope you've met him.

Love,

Raquel

Kevin had such a kind heart, always so willing to help when asked. He was friendly to those he met as he walked in the neighborhood, willing to stop and talk.

Kevin was the guy to ask if you wanted information regarding nutrition and he had facts to back up that information.

Kevin is definitely missed, but no longer in pain and I'm sure at peace.

“ My condolences to the families and my thoughts are with all. Like Wendy said, I had so many unforgettable memories with Kevin (also in Oscoda, KOA camp, spaghetti fest at Tom’s 🤓.. and many more. One of my favorite is when we went to Europe together and being his first time across the pond, we had a terrific time with friend and family. I miss you my friend, and until we meet again! God bless.

“ Some of my best memories include Kevin. I can't help but smile when I think of the "Blind" weekends in Oscoda, cookouts, back yard get togethers, canoe trips and ridiculous conversations! My condolences and prayers for the loss of such a unique and loving soul.
