“ Dearest Kim- You were one of the very first people I had the pleasure to meet at the KRC...your wit, humor, and desire to make things better was something I will always remember. May wonderful memories remind your loved ones that you will always be with them. God bless you.

“ There is a glimmer of light within us all, who's connection melds us together like a moth to the flame. Never suspecting the outcome...just moving towards eachother, in hopes of finding what we need. -Alicia Kimi, You touched my heart years ago and left a hole in it by leaving this world. But rest assured my sweet friend... Your LIGHT will shine through that hole in my heart for now and Always. Never to be forgotten. Always Your -Ali

“ Kim, you are forever in my heart & hearts of many among our Kid Rock family & beyond. It's been difficult to visit your Facebook, but in some way brings comfort too, as I feel your presence there. I'm very grateful & blessed to have met & become friends with you many yrs. ago at KRAA. We shared many wonderful memories, some sad ones too, but that's what made us all a family for life...sharing our lives with one another. I'm grateful we were able to remain friends through Facebook, creating more cherished memories I'll forever hold in my heart. One was our recently conversing of our love for Lilacs, my telling you of a favorite lilac bush named 'Miss Kim'. Over the weekend I planted a 'Miss Kim' lilac bush in your memory, & I know each Spring when it blooms you'll be there in spirit to share it with me. I love you, always. â?¼♥♥

“ My condolences to the family, as a father it saddens me that her daughters are left without a mother. I met Kim as many others did "online" at KRAA but even still you could tell she was a kind soul from the stories that she and others would share from concert get togethers. At the time I was working off shift and late at night there were only a few of us "chatting" Rest in Peace "Snapples" you had the most beautiful blue eyes I had ever seen , May God watch over your daughters and may you live on in their hearts forever.

“ Well,sure is a bummer, last time we talked was on Facebook and we talked about how we both liked the song if heaven wasn't so far away, if only you knew how true that is at this moment. and another thing we never did get to chance to go for a ride together, cause you said you would go driving with me, but now since your an angel, you can sit next to me whenever you want, i wont be able to see you there, but but inside ill always know your right there beside me, making sure i don't crash.I hope you will take care of my peanut dog, shes up there with u and I'm sure she was happy to see you, watch her for me till i get there,ill miss you and love you and never forget you, i told Jolene id teach her guitar, i hope the best for them as well cause i know i love my mommy and couldn't lose her, but i lost someone who was almost like a second mom to me. I wont forget you, and neither will my mom, as long as we live.

“ To hear of your lost has sadden us. Our prayers and love are with you. God created humans with a yearning to live forever. Your dry wit and your humor Your 'grin' and devilish smile No one knew what you'd do next You had one unique style Always there for everyone So dependable, sincere Kind, gentle and caring Felt good to have you near. So, my dear departed friend I'll think of you each day.

“ Kim had a magical energy that could always make anyone smile. She was a kind hearted and caring friend who would always give encouragement to anyone needing it. I loved every minute that I spent with her, and all of our late night conversations and texting extravaganzas. Our world is a better place because she was in it. God has called her home for some reason, maybe to care for our loved ones who have already passed and need her kind touch. My deepest sympathies to her family and Merle!

“ To all of Kim's family, friends and especially her two beautiful little girls, my thoughts and prayers are with all of you. Although Kim & I hadn't spoke much in the last couple of years, I will forever cherish the Kid Rock and Jocaine shows I spent with her, the fun we all had on the KRAA boards back in the day, and all our private conversations that helped us both through a few hard times. She was a gem, no doubt, and she will be missed greatly by many. Her smile could light up a room and that's one thing I will miss most. She may be gone from this Earth, but she will live on in each and every one of us, because we experienced her friendship, her love, her compassion and her ability to find the good in every situation. We are all blessed because we had the honor of knowing her. There are a lot of heavy hearts today, and I will be praying that everyone finds comfort during this very, very sad time. Cherish your memories; she will never be far away in spirit. Love and light to all.

“ I have known Kim since kindergarten thru high school. We both had Kids, and lost touch with each other. Over the years I had seen her once or twice. When we reunited on FB, there was the same Ol' Kim I remembered and considered my best friend for years. She always made you smile, and listened when you needed to talk, she was always Up-Beat. I have many fond memories of Kim and forever will cherish them.Its heartbreaking and such a tragic loss to all of those who knew her,loved her,and shared her passions. She was a beautiful lady inside and out and will be missed dearly. R.I.P Kim

“ I have known Kim since Elementary school, we were the best of friends up until High school where we fell apart. We started talking again on line over the last two years. She was a sweet and loving person, always there to help a hand when needed & to pick you up when you fell. She will truly be missed. My thoughts and prayers go out to her family and friends, even though she isn't with us in body, she will always be with us in spirit and our hearts.

“ I never met Kim face to face, but chatted on line with her for the last 10 years or so. She made me smile and her love for her daughters was in every word she spoke about them. I will miss her, that beautiful smile and her big beautiful blue eyes. My heart goes out to her family and friends. I know this won't help now but just remember how many friends she had out here and how much we all cared for her. Love and Peace to you all.

“ My thoughts, prayers & condolences to all Kim's family & friends. To her girls, your mama loved you SO much & would've did ANYTHING in her power to protect you! "Snapples79" is how I met her & Kim Culbreath is how I'll remember her. I had the pleasure of talking 1:1 w/Kim many nights right after my Dad passed away, she helped me a lot reminding me to be optimistic not the easier pessimistic. I was honored to return that favor for her when the roles reversed. The laughter, tears and singing KR at the top of our lungs will never be forgotten.... This past year, I saw a whole new Kim evolve, one who found love again within herself & in companionship...I'm sorry that was cut short. My heart bleeds for her Mom who should not have to bury her child & for her girls who should never have to experience a pain like this at such a young age. In the end, I'm proud to call Kim a Kid Rockin Sistah & friend. May you rest in paradise my Snapadap I know you'll be watching over us! \m/

“ To her Kid Rock friends and family, we all loved our "Snapples". She was a bright spot in many of our lives, with such a genuine and caring heart. The first time I met her, we hugged like long lost sisters, and she made THE BEST sweet tea ever! People may find it odd that Kid Rock fans have formed such strong bonds with one another, but Kim is proof that we all loved each other, because we took the time to get to know one another after finding one common bond...friendships DID grow. Kim- Keep Kid Rockin on the other side. You will be missed.

“I was completely shocked and saddened upon hearing of Kims passing. Our "Snapples" We all created our own little world/family through the internet, our shared love of music and everything Detroit. All of us have fond memories of chatting and laughing with Kim online and for those of us who had the honor of meeting her at concerts and around town. She was always so nice to be around. I know how much she adored her girls and I feel so sad for them and all of Kims family. She could teach us all a thing or two about living in the moment, enjoying every second and not taking anything for granted. My sincerest condolences to your beautiful girls, your boyfriend and your whole family.... They will all be in my prayers. You will be missed by so many.... Rest in peace Snappy.

“ I never had the honor of meeting Kim, but we shared many good times and laughs online with our little Kid Rock family we created. My heart is so saddened by the hole this sudden loss will create in her daughters lives as well as that of her family. “ I only met Kim few times in person, but we spent many late nights together online, sharings our lives, sharing laughs and many common interests. My heart broke for her when lost her Dad, my heart felt pride for her when she talked of her children, my heart soared for her when she found love again. Now, my heart aches for her and what she will miss, it aches for her children who are far too young to lose their Mom, and her Mom who should not have to bury her child, and her love who won't have the time with her that she so wanted to give him. My heart aches for all her family and friends. God bless you all.
