“ *Dear Malter Family:*

I believe I only met Kristy once, while visiting Rochester for my niece Nicole's prom and graduation in 2013. But she made such a positive impression on me by how she wanted Nicole's little sister Megan included in their group photos and just how sweet and loving she was to everyone.

We were all so saddened to hear of her illness and passing and will continue to pray for the repose of her soul and for God's comfort, peace and strength to the family and all who knew, loved and were touched by her brief life here on Earth. Please accept the sincerest condolences of the entire Connor family in Philadelphia and New Jersey and may God bless and keep you all.

*Warmly,
Anne Connor*

“ My sympathy to the family. Death claims the lives of those we love. Mere words cannot convey the overwhelming feeling of disbelief that can result from the death of a loved one. May you find comfort in Jesus words "I am the resurrection and the life, he who exercises faith in me even though he dies will come to life."-John 11:25
