“ *Kyle, I will never forget the memories we share together. From the day you became my first friend at a new school in the 3rd grade, to playing high school football together, to watching your band play in concert for our friends, and to the days you would call old friends back together to play Thanksgiving flag football games. You have always been a great friend with a compassionate heart. I will miss you always. God Bless. Your friend, Brad Cischke & The Cischke Family*

“ *Dear Kyle, Your passion for music and baseball is celebrated with each beat of a drum and every grand slam hit; however, our loving memory is best expressed by your Godson, Joseph, who shares your enthusiasm for the game, of course with nothing other than his 'custom' mitt. Heavy-hearted, Gary, Jennifer, Anthony and Joey*
