“ Julie and the Ohlert Family, I was very saddened to read of your dads passing. I got to know him through Julie when we both worked for GM. When our son was just 6 months old we stayed in the honeymoon cottage on the lake. We had a wonderful time and will always remember Lamb and Betty's generosity. Know we are thinking of you today. Love Joel and Susan Thomas

“ Dad, Where do I start? You've been a big part of my life since I was 18 years old. How lucky was I to have you for my Father-in-law for so many years. You welcomed me into your family and your life and continued to be a part of my life when my time with the family ended. I've learned strength, love of life, family commitment and so much more from you. Although I will miss you terribly, you have left me with so many wonderful memories of that great big family and all the good times. What a change for an only child from a very small family! Give Ma a hug for me and if you see my Mom and Dad, a hug for them too. Save some room at your big table so I can stop and visit when my time comes. Peace and love to you Dad. Love, Valerie

“ Pa- You will always be remebered not just at the Big Boy but in my heart. You were always there to put on a smile on my face no matter how bad the day was going. I just sit back and wonder, "Who will I ever open jelly for now?" You will never know how much my birdfeeder means to me. I will remember fond memories of you everytime I look out my back window and see a new young bird eating! You were truly a blessing from the Lord above and you wil now reside with God and Your Wife! Until we see again and I can serve your breakfast! Love your buddy Jessica

“ Hi Papa, I will miss you greatly. Thank you for teaching me about love and respect. I will never forget all the pontoon rides, pattle boat rides, fishing, skiing, snowmobiling, rides trying to find deer, Fireworks on 4th of July, getting ice cream, going to the Bear store, hiking through the woods and all the campfires. I can only hope to create just as wonderful memories with my dad and girls as you have with us. You have accomplished so much in your life and we are so proud to be a member of your family. You are my hero! Give grandma a big hug and kiss for us. Alyssa and Alexis want to say that they love you too! I will continue to tell them stories of you and our trips Up North. Thank you for all the love throughout my life. I love you always and forever. Love, Jenny

“ Papa, I am so lucky to have met you and spent some time with you in the last year. I have heard so many wonderful stories about your life but there is one thing that stands out to me. You have been the rock! You have raised an amazing family. Your children and grand children are welcoming, loving, compassionate and strong willed. I see you in all of them, and that is a great feeling. I feel blessed to be a part of the family that you created and cared for. I will make sure that all the amazing attributes you have instilled in your children will also be instilled in mine. You will be missed and loved forever.

“ I remember my Uncle Lamb best when he would tickle torture Julie and me on the front porch and also when he got his first color tv and let us all watch the Wizard of Oz for the first time. It was nice to see him in April. I also thought it was wonderful that he remembered me since I had been away for so many years. I love you Uncle Lamb.
