“ Gwynne:

Janine and I just heard of Larry's passing and we are shocked, deeply saddened and so very sorry for your loss. He was a wonderful man. I have so many great memories of walking down the street and talking to Larry as he worked about the yard or was in the garage. Always great conversations. You and he were such a big part of the neighborhood group that was so welcoming and friendly when we moved in 34 years ago, and one of the few that remain. I had so much respect for Larry. He was an interesting, bright man. He will be deeply missed by all who know him. You will be in our prayers and we are always available should there be a need.

“ Dear Gwynne, Jeff, and Doug. My deepest sympathies on your loss. Larry was a dear friend, co-worker, and bowling teammate of mine. I worked with him for many years at EDS, and bowled with him on our team for many more. When I first met him at EDS around 1987, I was just a young punk in our profession, but Larry was always so kind, patient, knowledgeable, and willing to help with his vast experience. I'm afraid I am responsible for one of his nicknames. One day at work, someone said Larry was old. I replied "Larry isn't old, he's archaic", and everyone laughed including Larry. So the nickname stuck, and we referred to Larry as "The archaic one". The funny thing is, I'm now older than Larry was when I made that comment. I still remember him pulling out org charts from the 1970's when he worked for GM. He remembered people he worked with over 40 years ago. I loved swapping jigsaw puzzles with him, and the story you told me at the visitation today about the last puzzle out of the several I gave him a few months ago he completed the night before he passed away. Well, it brought me to tears. You should glue that puzzle together and have it framed. I'm so sorry for your loss. Larry was a great guy, and I will miss him.

“ Dear Gwen, Jeff and Doug,

So sorry to hear about Larry's passing. I worked with Larry at EDS in the late 80's into the 90's. Poor Larry, he had to put up with all us young "kids" just starting our careers. We could not have had a better person assigned to our team to "teach" and to work with. us. Patient, kind and willing to answer all our questions. An excellent mentor.

Enjoyed group outings with Larry. Somewhere I have a picture of him scoring a goal in Whirly Ball.

Looked forward to seeing Larry every year at Dave Timm's pizza party.

Jeff and Doug you were always known to us as Spot and Fido. I just can't remember which one of you was which. Just know one of you was usually in the dog house for something :-)

Good bless Larry and you his family. May he rest in peace.
