“ Uncle Larry, my memories of you are many and always happy. You always had this wonderful smile and laugh. I thought it contagious and prayed I would catch it. Thanks to you and Aunt Catherine for all the good memories. Rest well and God bless you.

“ Uncle Larry, We will always remember the fun times we shared at birthdays, holidays, etc. I'll never forget the first time you and Aunt Catherine met Chris and were teasing that he was Aunt Marge's boyfriend. Although we know you are in a better place, we will miss you. Love, Jacqueline and Chris

“ I remember fun times at family gatherings and playing cards. I enjoyed baking apple pies and having "a little something sweet". While I will miss you I know you are at peace. Aunt Betty

“ Thanks Larry for being such a great brother in law. I have many, many fond memories of shared family occasions, holidays and laughter. From the burned dinner rolls that Larry turned into a coaster to the "hearty handshakes". Larry loved a good joke and a good laugh. I think I actually became closer to Larry after his stroke and the many visits when he lived in the nursing homes and with Tom and Ed. I enjoyed watching and discussing sports with Larry, playing Tripoley and Hands and Feet. I'll miss the man Larry was and know that he is now at peace and in a much better place. Love, Marge

“ Dad and Mom - I wrote these words in honor of you: I stand on my father and my mother's shoulders Together they provide a platform for me to spring forth better and bolder At times one stumbled, and almost fell Luckily , the other shoulder served me well I learned through their gifts, I learned through their grace. In their names, I vow to make this world a little better place.
