“ My Grandpa~ No words can say what he means to me, he was my favorite person in the world. He was so funny and kept a smile on everyone's face. I shared a lot with him and he's been there for me always, no matter what. There will always be a place in my heart now that is empty, and I will think of him everyday. He is in a better place now, where he will not have to suffer anymore, he was so tired. With all my love and all of my heart, I love you grandpa. You will be missed by all. Love Always, Mandy

“ Such a wonderful man, my Uncle Larry. So many years of counting on him to be there for me and my brother and always doing whatever we needed. I can not thank him enough for keeping us connected through the years and supporting us in every way that he possibly could. I am going to miss him so much and remember his laugh most of all.
