“ *Dear Sherry & Family, Please take some comfort in knowing you are in our prayers during this difficult time. Ken & Crystal Podolski Sherry, I also want you to know how much I appreciated Larry's willingness to share his firefighting knowledge when I was a young firefighter learning my trade. Larry's willingness to help me meant more than words can possibly express. Now in retirement, I want to acknowledge Larry as the driving force of our retirement committee, always showing concern for the well being of his fellow SHFD retirees before caring about himself. I'm going to miss you Larry, you were one of a kind. God Bless and receive you. Ken*

“ Pat and I are so very,very sorry for your loss. We will sorely miss his cheerful, positive, informative and enlightening phone calls. Larry was an exceptional individual in so many ways. He was a loving and caring husband and father. He was kind, thoughtful, considerate and helpful to everyone he knew. He had a wonderful sense of humor. With his passing, the world has lost one of it's truly exceptional role models
