“ *My oldest first cousin, Laura was an AMAZING person. A few of Laura's fingerprints impressed upon me through the years; unwavering strength that I'm blessed to have known and learn from, beautiful authenticity that had an uncanny way of making uncomfortable "comfortable", compassion when needed most and directness sprinkled with wit to hear what sometimes we needed to hear.*

THANK YOU cuz Laura for your fingerprints, something I will cherish forever. You will be missed!

“ *Going to miss my partner in crime, both of us being the first female Austermann's in our families. It is a wonderful honor having the 'mean genes' and being an Austermann women. I am going to miss her so much. She was a strong, passionate women and she never let anything get her down. Rest in peace and enjoy reuniting with your mom, my mom and dad and uncle Dave. We love you and will miss you dearly. Love you to the moon and back!

“*Laura was a wonderful lady, I worked with her at Toys R Us. We used to stock shelves together, she was very kind, funny, heart warming lady, she always got stuck doing the Lego aisle, but she was the best in legos. Laura will be dearly missed. R.I.P. Love

*Laura loved the people she work with, she was a great help, she teached everyone on the plants and flowers, and truely loved what she was doing. She never asked anyone for help, but she helped everyone. She will be missed, love you Laura for all your help!
