“ Larry and Blake words can not express how sad I am for your loss. Laura is with the healing Angels now.

Laura personified love...planting beauty around her. She was a wife, mother, soul mate and family historian.

She showed her love for both of you and her love also extended to her kitty cat family. Anyone who touched her life could see that love and pride in you Blake.

We were lucky to have such a kind, sweet person in our lives, even for a short time. She will be missed.

Focus on the happy times, the laughter, and the love. Laura would want you to remember the best memories.

May God lead, guide, guard and protect you.
