“ Carl, I was out of the country last week and did not hear that Laura lost her battle with the cancer. I am so sorry that I was not able to attend the visitation and pay my respects. Laura was a wonderful person and a good friend. I had the highest regard for her work ethic and certainly missed her warm friendly face when she moved to GWE. I will keep you in my thoughts, and hope you know how much we did care for Laura.

“ Dear Uncle Star and Aunt Carol I am sorry to hear about Laura and I can't help but remember back in the days of all of us playing in the basement of your home on McLean and we used to have so much fun. So much has happened since than, but that is one thing that can never be taken away from us are the memories. May God be with all of you at a very difficult time.

“ Carol & Stan, Debbie, John, Mary, Rosy, and Bob & Carl: We were so very sorry to hear of the loss of your dear Laura. We remember that sweet little girl who used to come down the street, with her brothers and sisters, when we all lived on McLean, and play in our back yard with my son, Bruce. What a delight she was. Please know that we are thinking of you at this sad time. We hope in time the memories you shared together with Laura will lighten your heavy hearts once more. God bless her and please know that you are all in our prayers. Love, former neighbor, Janet Falcon and son, Bruce Falcon
