“ Thank you everyone for sharing your thoughts and prayers with my family and I at this very sad and trying time. It means a lot to me personally to see how Larry touched people's lives..he probably never knew this but hopefully he does now. I loved my brother very much. He and I sometimes would be at odds with one another, but in the end we were brothers who loved each other very much. Larry also loved my beautiful son, Spencer, so very much and his nephew is going to miss his uncle a lot in these succeeding years. I love you Lar, please rest easily my brother. Don

“ Dear Mrs. Bidell and Don, I'm sad to hear of Larry's death. I remember him well from 1971 and 1972. I emulated him, and I loved being around him. He was a kind and generous soul. Lay B. we used to call him. One time he picked me up hitch hiking in his Dodge with the push-button transmission. He drove me around and we stopped and played frisbee at a park. I was honored. Another time after having had dinner at the Bidell home Mrs. B. served Yorkshire pudding and I was crazy for it Larry ribbed me a bit about how polite I was at the dinner table. Larry and his friends were wise-guys, but never mean spirited. I miss him. I trust his eternal soul is resting peacefully, doing things he loves, being generous, making things and teaching younger guys interesting things like details of push-button transmissions. Warmest regards to you and all of Larry's friends during a sad, difficult, and mysterious time. Sincerely, your Roseland neighbor, Keith

“ Uncle Don, Aunt Joan, Barb & Don, I'm so very sorry about Larry and have thought of all of you so much in these last few days. I have lots of memories from when we were younger, one especially of a time when we were teenagers & in Royal Oak. For whatever reason he had to entertain me & Mary Jo, and I'm sure hanging out with his younger teenage female cousins wasn't at the top of the list of things he wanted to do that weekend. He was great about it though & we really ended up having fun. We even liked some of the same music & he took us out for ice cream, which was pretty cool to be out in a car without any parents! He had a good heart & will be missed. I picture him up in heaven hanging out with Grandma & Grandpa B. : Love, Kathy

“ Bidell family and friends, You have my heartfelt sympathy on the loss of my good buddy Larry. We are forever linked by the friendship of the "3 Larrys". As a neighbor and friend we shared a lot of good times together. I have fond memories of visiting him in Florida and New Mexico, riding on his motorcycle very fast!and toying with rattlesnakes just to name a few. May he rest in peace.

“ Please accept our deepest sympathy and prayers for the loss of your dear Larry. He was more my brother, Larry's pal, but I guess I always felt like he was my friend too, growing up on Roseland together, and being schoolmates at Shrine. I'll remember his gentle manner and warm smile. Rest In Peace, Larry. With Sympathy, Ray and Suzanne Perreault Joseph

“ I am deeply sadden by the new of Larry's pasing. I remember him in our school years at Shrine and in the neighbor. Larry was always nice and kind to me. You were such good friends of my parents, John and Mary Beach. There were many a gatherings of laughter and fun in our home, on Northwood, with you and their "gang" of friends. The laughter was always heart-warming to me. My deepest sympathy for your loss and I will keep you in my daily prayers.

“ Dear Bidell Family, I have known Larry for at least 45 yrs. We went to Shrine Grade and High School together. He lived on Roseland and I lived on 12 Mile. We last saw each other just this past Christmas and had a great visit. In all those years, We never had a "crossed word" to each other. He was a gentle giant with a great sence of humor and a caring spirit. I will miss him dearly, as I know all of you will. My heart goes out to you and all that knew him. I will always remember his smile and his deep laugh. Thank you for sharing your son, brother, uncle and friend. I will always be proud to say that Larry was my friend. God Bless you and him.

“ We never had the pleasure of meeting Larry, but feel like we knew him through his father Don a second father to us. Larry has been lifted up on wings like eagles and is now seeing the world in a First Class seat. We pray God will comfort the brokenhearted.
