“ My dad, Steve, and your dad were in Intensive Care at the same time. Even though they never met one another I felt that my dad was never alone because of the friendship and bond Cathy and I have. As funny as this may sound, it brought me comfort to know that someone was there at the time my dad coded and passed just a month ago. I know how difficult a time this is but hopefully you can find some consolation in the fact that your dad has a new buddy in Steve, "showing him the way" so he's not alone. Maybe they will even be able to meet for breakfast on their birthdays! With deepest sympathy to the family...The Sciuto's

“ What a kind & gentle man! The only man I ever knew that smoked a pipe. It's funny what you remember from your childhood. I thought that was so cool. I wished that I had a dad like him! :- May he be with the Lord and your Mom this day! Love you all!! Janine

“ I first met Larry in 1969 when we were both working at the Ford Van Dyke Plant on 18 Mile and Van Dyke. He was a great person, and always 'up'. He knew his job and it was always a pleasure to be assigned to work with him. He will be missed by many of us. God's light shine on you, Larry. Ralph
