“ So sorry to hear of his passing. Lee helped us put on an addition to our home in Northern Royal Oak. I was very much into rehabbing older homes at the time and Lee showed me much skill that I use to this day. He worked for us when everything hurt on his body. I am now that age and understand why it's best to just keep going

“ Hi, my name is Rhonda Edwards and your cousin, Daniel, was a classmate at Dondero High School. We recently had a class reunion and Daniel was listed as one who had passed away. We were so sorry to hear this. We're trying to gather more info on those that have passed to honor them. I tried to find an obituary for him online and failed. Can you tell me when he passed away or where I might find an obit for him? Thanks for any help you can give me.

“ Mr. Lee was our dear neighbor for 5 years while we lived in Royal Oak. He was like a grandpa to us while we were far from any family. He was such a kind man. He always would help us with things in our yard would give us delicious vegetables and tomatoes from his garden. While sad to learn of his passing, we know he is resting and joyously reunited with with Virginia, who we also got to know for a few years before she passed. Thank you Mr. Lee for being such a wonderful neighbor and friend to our young family. Love, Michael, Christiane, Isabella and Lucas Criddle

“ Lee and Ginny were our neighbors for 6 years and more importantly they were our friends. The first time I met Lee, I was outside struggling to cut down an overgrown bush while my husband was working. Lee watched me struggle for a second and the next thing I knew he was right there cutting it down with me. We really enjoyed sitting on his front porch chatting with him and loved his fresh tomatoes that he would leave at our door in the summer. Lee, you will be missed but I hope you have peace as you are re-joined with Ginny and your family that went before you. God Bless the rest of the family too.

“ Uncle Lee always had a warm hello and a smile. We will miss not seeing him up north to bring a ray of sunshine to all he spoke with. We love you Uncle Lee.
