“ Angel summed it up pretty good. She was our second mom. I will miss her but but I'm happy for her. She gets be with Jesus and Uncle John and I bet she's pretty happy right now. This is one of my favorite pictures of my second parents. RIP sweet Auntie, until we meet again...

“ My Aunt Dolly was like a second mom to me growing up. We always lived within walking distance to each other and we were together many times per week (EVERY week). One of my fondest memories was being at the Kijorski house and Aunt Dolly taking us to Kmart with her; it was such a treat to go to Kmart lol. When we begged her enough we would each get a new coloring book.....seems like such a small thing but it's one of my greatest childhood memories along with our parents playing cards while all us kids played "house" in the basement❤️❤️
