“ Greg and family Both your parents are greatly missed. They were lovely people. I remember how Vicky and I sat with your mom and dad at their home shortly after my dad died, and he told me some stories about my dad. He had also told me how much my dad adored me. Funny how I had never known that. So your parents became even more special to me after sharing that with me. You have my sincere sympathies on your loss. It is never easy as you know that I already know. Louise Rivera formerly Gilman & Pabst
