“ To all the members of Jim's Family--Dianne, Jim & Ingrid, Karen & Vince, Jon & Nancy, Brooke, Meagan and all the grandchildren and great grandchildren

It is with sadness that we say our good-bye to such a gentleman in all sense of the word. Jim always made time for everyone during our times together during celebrations at Ingrid and Jim's home. His genuine greeting and interest in what was going on in everyone's life was always apparent when he was talking to you. His stories were always interesting and even though he will not be with us in body I know that his spirit will live on. He fought the beast and won against it for so many years until he could fight no longer. Rest in Peace Jim your suffering has ended, With our deepest sympathies Remo and Fernanda Valente

“ *I'm saddened, and reach out to the family with love and prayers.*

Jim was such an awesome person. He was kind considerate and full of love and Joy for his family.

A fond memory, I was having a Heugh gathering at my condo and Jim and Howard were telling stories about their experiences in the Navy. We were all laughing so loudly, my remote doorbell kept going off!

I will really miss you Jim and feel so blessed to have had you as my brother-in-law.

*Love and Prayers,

“ Mr Heugh was an Inspiration to all those who were challenged with a chronic illness. His smile and optimism encouraged many to fight the good fight and never give up. His life is a testament to all of us about the value of each day and how we need to live life to the fullest. Our hearts are broken that we all must move forward without his strength and determination, but we are comforted to know his suffering has ended. He will forever be missed by his extended Canadian family, and is in our prayers always. Thank you Jim, for raising such a beautiful family and being a compassionate patriarchal example. We are all blessed from being in your life, May the angels rise to meet you and take you home.
