“ Dear Chin family, I am so sorry for your loss. I cant even imagine the pain you are going through at this time. One of the things that has always been a great source of comfort to me when i lose a loved in death is the encouraging thought found in the Bible at John 5:28,29 were we see that God promises to bring our loved ones back to life in the near future.t psalms 37:10,11,29 we see that God is going to ellimanate all wicedness and that our loved ones along with us will be able to live right here on earth but we dont have to worry about bad condtions on the earth beacause at Revelation 21:4 we see that God is going to wipe every tear from our eyes and death will be no more niether will morning outcry nor pain be anymore the former things have passed away.these our just a few of the many other comforting thoughts in the bible. It is my deep hope that these words bring your family comfort at this time. Once again I am sorry for your loss.
