“ Sisters - in - heart.....We've shared so much laughter, we've a spiritual kinship, that grew stronger each year. We're not sisters by birth, but we've known from the start that God put us together to be Sisters-In-Heart!!! Linda, my dear sweet friend. We have shared so much laughter, tears, and life together. Our friendship has spanned over 25 plus years and during this time our friendship grew into a forever bond. Many people would ask us if we were sisters and we would look at each other and "wink" and say yes. Then they would say, "we knew it." We would turn and just start laughing! I will miss that laugh!! I will miss all of those things we did together and the long phone calls as we always had so much to tell each other. All of those memories will forever live in my heart. I will miss you so much my dear beautiful sister - in- heart!

To Dave and family you have our deepest sympathy and sincere love. She will be missed by many as she touched many lives.

Love, John & Sherry

Dear family:

This is hard..... words are an expression of love, hope, comfort and at the same time they can feel empty. We are so so sorry for your loss and the suddenness of it.

Your/our comfort is in knowing she was prepared for death and the comfort comes in knowing we "will" be re-united again - this is a promise made by our Lord and Savior. Heaven is having a reunion. Though we mourn our loss - that should put a smile on our faces.

Linda was a delight to be around...always a smile and always a positive outlook. Her love for her family was evident and "funnies" exchanged between friends were shared with a loving laugh.

She was a beautiful lady and full of class! Linda and Alysa, in my eyes, were twins...2 peas in a pod. Beautiful inside and out!

Dave-you were truly blessed having her in your life and she loved you deeply/dearly!

Grandbabies-she was your biggest fan! Apple of her eye!

Time heals the sting and love will keep you for ever grateful she was a part of your lives.

With deepest sympathy and sincere love to all of you ~ Emilio & Debi Morga

Dave and Linda... We always spoke of our dear dear friends as one... Dave and Linda. I am still in shock, my precious sweet friend has left us and will be so missed. Linda was loved by so many I will always treasure the friendship and remember the time spent together. Just two days before Linda and I spoke on the phone to tell me that she and Dave was thinking of Tom who had passed away one year ago. These were her exact words " dear friends you have been on our hearts today especially remembering Tom's passing. We can only imagine what you are going through. Tom was so special to us and we miss him dearly. There is a hole in our hearts that can never be filled until we see him in heaven and what a glorious day that will be. Just know we are praying for you much love Dave and Linda. And to that I say right back at you dear friend💕💕

Linda was one of the sweetest people I knew. She was kind, generous, and loving! I would have loved to be able to get to talk and hang out with her more, but I let life get in the way. She was such a beautiful person, and I know many people who knew her and loved her well. Dave and Alyssa and the grandchildren were honored to have her in their lives. She was one of the best bakers, and her love for her gift shone through all she did. I praise God for even the little time I had with her, she was truly the light of God that shines on all who know her.

She set a great example of strength, devotion and perseverance that guided me through that time. I’ll always remember that, and her generosity. And her carrot cake. Love you mom. Miss you already. Linda was always kind and loving to me. A time I can remember when we all went to Dave and Linda's one day and riding a paddle boat in the lake being towed by Dave in his boat. Linda was with her father and the boat dumped from being pulled too fast. They both went into the lake and Linda was in a panic. I dove in and brought her back to shore. She was very brave and strong that day. I will miss her knowing she is no longer here. There were so many acts of kindness from Linda...truly a class act.

We have not known Linda and Dave long, but they rapidly became very close and dear to us. Linda is the most caring person we have ever met. When Linda spoke to you, you felt like there was no one else in the room. We were truly blessed for having known her for the short time she was with us. Her passing leaves an enormous hole in my heart. Our prayers for your family, Heaven gained an Angel. Our Love, Diane & Rick
