“ We just found out about the passing of our cousin Linda. She will always be remembered as never having anything but good to say about others. The last time we met she reminded us of all of the good times shared at my parents house, (Armand & Jackie Bourque) She will surely be missed.

“ My Aunt Linda was so vibrant and full of life. I'm going to miss her terribly, but I have a lot of wonderful memories with her to reflect on. In general, I will just miss her craziness! She was always dancing at our family parties or telling a wild story from her travels. She loved live theater, and we went to many shows together over the years. I know she can rest peacefully having lived such a full life. Love you Aunt Lin!
