

Linda Lee Glover

February 17, 1951 - January 30, 2016

Glover, Linda L., age 64, a resident of Ferndale, passed away in Madison Heights on January 30, 2016. She was born on February 17, 1951 to the late Alfred and Betty Woodstock in Detroit. Linda spent a number of years working for Michigan Bell in their northwest office. She worked as a computer operator and eventually moved into their senior clerk position. Linda declined advancing beyond her senior clerk position because she truly enjoyed the nature of her job. During her employment with Michigan Bell she met David Glover.

The two married at First Free Will Baptist Church of Hazel Park in November 1980 followed with a memorable honeymoon in Florida during Hurricane Jeanne! Following Jeanne's rains they had opportunities to do some boating and big game fishing.

Linda was an avid bowler and baker. She was renowned for her cakes (her kitchen housed an assortment of specialty molded cake pans) and yearly Christmas bake-a-thon (including her double chocolate cookies and fudge). Linda also remained involved with the First Free Will Baptist Church, working with the ladies auxiliary, in the church kitchen, and offering rides to those who were unable to drive.

Loving mother to Dave (Dawn Wortham) and Daniel; dear sister to Bob and

Bill (Ruth); she will also be missed by her dear, four-legged canine family member, Bentley.

“ *Linda was a wonderful Christian woman who cared about people. Her quiet nature did not deter her dedication to helping others in her church and community. She was a wonderful wife to her equally dedicated husband, David. Prayers and special thoughts are with the Dave and the entire family who shared their lives with Linda.*

“ Linda Glover was one of the most kind, thoughtful, generous women I have ever known and I blessed to have her for a friend. Linda and I shared many adventures together while being neighbors and raising our families. Every birthday party was met with her zest for making every moment special for Dave, Dan, Melissa and Joe. We would plan, craft and of course, Linda would bake. As I grieve for the loss of my friend I am reminded of her daily presence in our lives over the years. On the fourth of July our families would return from watching the Clawson fireworks and meet in front of her house for our children to set off fireworks, David was always ready with the hose and Linda was always ready with patience no matter how exciting things got. Linda and I shared many summer days at local city and state parks picnicking, swimming, biking doing whatever made the kids happy. Linda's generous nature went far beyond her family; for many years we were a Secrete Santa team that kept the teachers in the T.O.P.S program at Webster Elementary School in supplies for their programs. Linda volunteer countless hours for the Future City Program at Webb Junior High School always ready with a helping hand and a snack. Linda spoiled the Hazel Park Swim team as one of their biggest fans and supporter. Linda Glover was one of the most influential people in Joe and Melissa's childhood and I will always be in her debt for the love she gave to my family. The world has lost a very gentle soul but I know that she will live on in all those that she touched.

Our deepest love to David, Dave and Dan,

Lisa, Tom, Melissa and Joe

“ *Linda took her son Dave and I to our high school registration. Knowing that it might take a long time and fearing that we may get thirsty, she took us through a drive-thru first for some large pops.*

She was very caring and thoughtful and will be truly missed by all who knew her. My family has always enjoyed having conversations with Linda as she was very easy to talk to.

“ I was Mrs. Grover's next door neighbor. I must have been only three or four years old at the time, but I would always be excited to talk to her, whether in the backyard with the black little dog or in the front with Big Dave, Mr. Grover, and Danny. There was one distinct time when I was walking with her, and she always made me hold her hand.

Little me was so infuriated with her, and I tried to walk ahead without her holding my hand. I wanted to be like the cool, big kids, like Melissa, Joey, and Danny. They were playing hockey on the street, but she told me that it was too unsafe. She promptly took me to my parents and told them about my little rebellion. I chuckle when I think about that particular time.

I was planning on visiting Michigan after I graduate this summer. I wanted to visit where I grew up and visit Mrs. Grover and the family. I love and miss you always.
