“ Linda was a wonderful person. Although, I always called her by her last name. She was truly kind to everyone she met. I will never forget the memories I've shared with her. I remember once where she gave me the Heimlich Maneuver when I was choking on a piece of candy. I can't say enough great things about her. She will definitely be missed.

“ Thoughts and prayers to Linda's family. I worked with Linda at Utica Community Schools in Human Resources. She was a very caring and loving friend. We would have talks about my personal life and she gave me great advice. She will definitely be missed.

“ Thoughts and prayers go out to John, Dave, Janet and the extended family at this difficult time.
Growing up next door on Franklin Dr. I have so many wonderful memories of the Leysen family. Our families had a great time when we did things together.
Easter egg hunts, cedar point, going to the lake & just hanging out on Franklin Drive.
Moving away we didn't see each other often but I was thrilled to have a nice visit at my parents 50 th anniversary party.
I am so sorry for your loss.
Love & hugs,
Corrine

“ *It was Linda who put in the "good word" for me at the UCS Board Office after I finished my student teaching 16 years ago--even after knowing me as a teenager. My family was very lucky to have had Linda and "Mr. John" as our neighbors.*

“ Dear John, Janet, David, and all family--- So sad to hear of Linda's passing. She is with our Lord now, after her long fight. May she be at peace, and you be supported by good memories-- knowing friends and family are sending supportive hugs. I worked with Linda at Utica Schools for many years, and knew her to be the most caring, loving person we could always get help from, and always dedicated to helping children. Thanks for sharing her with us, Joyce Spade (retired Bemis Jr. High principal). Hugs to all.
