“ Always friendly and kind, Linda always called me over for a hug. On days I wasn't at church she gave our children a big hug and told them to make sure they gave it to me. She will be missed greatly!

“ I'm so sad 😭 my Lynn Lynn. She was such a special part of our lives and had the biggest heart of anyone I've ever known ❤️ she was my Son's God Mother.
Even though we lost touch from time to time we always picked up where we left off. Sending prayers and hugs to her dear family whom she loved so much...especially her sweet David, he was her everything ❤️

“ Granny Mullins was a God fearing christian woman who always put others first. She would give you her last dollar if she knew you needed it more than she did. She was such a great grandmother,wife, and mother. Her cooking was to die for and she loved playing with the little ones. I will miss you so much Granny rest well with God he obviously needed another angel at his side. Until we meet again! I love you

“ There can be no goodbyes for us it would be to painful. Our connection still lives on although you are far from here. I miss the times that we had when I would come to visit. Sitting up on Facebook chatting while you played words with friends. I'll hold you close and laugh with you I just wish I knew when. Each moment until that day arrives until my time is through, I'll miss you more then words can say and will always think of you. I'll look for you among the stars and each pastel sky, and whisper as we talk late at night but never say goodbye.
