“ I have very fond memories of Linda and Carly when my daughter Elizabeth and I danced with together. It was a very beautiful and fun time of our life that we shared. I still think of that time we had together often. Carly your mom loved you so very much. That showed in everything that I can remember that we shared. I'm so deeply sadden to hear of her passing and relieved at the same time that she is no longer in pain. Her beautiful personality will be missed by all!

“ I will miss Linda, i remember when Carly and my son Corey went to gymbre. I know Linda and I would bounce on this big red tube and just laughing, all the other Moms were just looking at us and we said so what we were having fun. Carly I hope u remember going with us it was fun with u and your Mom. And another thing was she was wondering when u would have hair. Well Linda she got her hair.
Rest in peace Linda

“ Dad, Victor, and I love you so much, and we are heartbroken without you. So many things remind us of you; the PT, the house, all of the things you loved and put your heart into. Nothing will ever be the same. You were the strongest person I ever knew, and the hardest worker. You deserved much more than the suffering you were handed, but somehow you made a beautiful life for all of us. I miss you mumma, Love Carly.
