

## Lisa King

February 7, 1963 - May 5, 2024

Lisa Marie King, age 61, passed away peacefully at home on May 5, 2024. She was born on February 7, 1963, in Royal Oak to Dr. John “Jack” Pearl and Sharon Hampton Pearl.

Lisa was a proud graduate of Birmingham Groves High School, initially pursued nursing at Grand Valley State University and then obtained her degree in dental hygiene from Ferris State University. During her college years, she crossed paths with the love of her life, Rob King. The couple exchanged vows on March 25, 1988, at St. Daniel Catholic Church in Clarkston. They began their journey together in Auburn Hills and then settled in Royal Oak in 1990. She was a loving mother to their two children and modeled unwavering strength, faith, compassion, and authentic kindness.

She cherished spending time with her sisters, fondly known as the "Pearl Girls," and they often embarked on shopping expeditions and travel excursions together. Lisa had a passion for shopping and loved anything pink and sparkly. Black Friday was one of her favorite “holidays” as she relished the thrill of scoring a doorbuster deal and even had matching t-shirts for the big day with her sisters, daughter, and nieces.

Family was paramount to Lisa, and she shared a nearly 40 year bond with her husband, Rob. Their complementary personalities made them soulmates. Lisa

found joy while relaxing in their garden watching for hummingbirds. Her favorite place to be was in the sun; on the beach and by the pool, and anywhere with family. Lisa's love for spending time with family extended to annual trips to East Tawas and Hutchinson Island, FL and Forest Hills Swim Club as a life member.

As a skilled Dental Hygienist for over 30 years, she touched the lives of many throughout her community with her positivity and genuine connection. She was also a member of National Shrine of the Little Flower Basilica for many years and found strength and comfort in her faith.

Lisa is survived by her beloved husband, Rob, and her loving children, Brian (Amanda) King and Jaime (Stephen) Rosenberg. She was preceded in death by her parents, Sharon and John "Jack" Pearl, DDS, her sister, Marci Pearl Francis and her brother, baby John Michael. Lisa will be dearly missed by her sisters, Shari (Paul, DDS) Mansky, Lori (Steve) MacKillop, and Jenni (Jeff) Anderson, as well as her numerous nieces and nephews.

A memorial visitation will be held on Saturday, May 11, from 1-7 pm, with a memorial service at 3 pm at Wm. Sullivan & Son Funeral Home, 705 W. 11 Mile Rd, (4 blks E. of Woodward), Royal Oak. In lieu of flowers; Lisa's daily approach to life was to bring happiness and health to others. Please take time to assist a cause or donate to a charity that provides some happiness to you and to others in this world.

“ Such sad news.  
Lisa and I became friends well before kindergarten, elementary, junior high and high school...a part of “The Nottingham Clan.” We lost touch over the years, but she will be remembered as a kind, sweet, quiet young lady My condolences to her family and close friends.

“ I am so very sorry for the loss of this great lady. Our thoughts, prayers and love goes out to your family. A neighbor and friend for 20 years, you can try, but you will have a hard time finding a more caring person. She was simply one of the kindest person on this planet. She will be thought of often and missed terribly. A true “Angel on Earth” and certainly in God’s Kingdom now. May God Bless Lisa and her family.

“ *Lisa has been in my life since 7th grade. One of my dearest friends from the day I met her. So many memories of junior high, high school, and college. Her smile, her laugh, her humor and her heart will be dearly missed! As time passed and we raised families we didn't see each other as much as we should have..but that never stopped the phone calls, texts and laughs that we had each time we connected. She is an angel in every aspect and I am so proud to have been able to be part of her life and her part of mine. I miss you already, I'll love you forever and we will laugh again together one day! love you Lisa...my nickname from you "modasteen" will live on!*

“ I was so sad to hear about the passing of Lisa. Her warmth, care, and expertise touched so many lives, mine included. I actually followed her from one dentist to another! Over the years we shared many stories, always about our families. Her love for you was unmistakable. Please know that my thoughts are with you as you walk these first weeks without her.
