“ Beautiful Lisa ♡

I'll never forget the last few days we shared together before you passed away. All the laughs, heart to hearts, and walks we took thru the halls of HL. I think of you every single day, and every night I ask God to let you know that I love and miss you so very much. I wish this wasn't real. I will never ever forget you, Lisa. We'll meet again and have even more laughs, heart to hearts, and walks; only this time it'll be in Heaven. Rest In Paradise, sweetie. I love you ♡

“ I'm so sorry to hear this, especially so late (not sure how you were unfriended from me). You were such a beautiful, funny and caring girl. You definitely helped me in a rough time. I hoped I helped you some as well. Rest in heaven Lisa. You will be greatly missed.

“ My condolences go to all the ones who loved, and will continue to love you as you rest in peace. This is not easy for a lot of people that are and were a part of your precious life. We didn't keep in touch when you moved away from Florida. Although it still hit me when I found out like a ton of bricks. Lisa you have made a huge impact in so many lives. You lite the room up when you walked in with your beautiful smile. Your job here on earth was cut very short , but the good Lord knows what he has planned for you... Fly high baby girl and watch over all your loved ones. Until we meet again rest in peace.
