

## Lisa Vanderham

June 2, 1968 - January 11, 2022

Lisa Lynette Vanderham (Janney)

June 2, 1968 - January 11, 2022

Lisa Vanderham (nee Janney) an angel here on earth has been called by God to return to His arms, to be an angel in heaven.

She had a truly beautiful soul, a generous and loving heart, and a radiant smile that brightened the day of anyone lucky enough to be graced by it. Her generosity extended to everyone that she met - giving food & money to those she felt may need it more than she - even if it meant she might go short on supplies herself. She loved to cook for her sons as well as friends and neighbors who needed the extra care and a smile. Her compassion for animals was "beyond". Her Free Spirit gave her a unique ability to make everyone she met feel at ease, giving comfort and solace to those that were in need.

Lisa's greatest love was for her sons Luke & Brett Vanderham. She is the daughter of Melvin & Jacquelyn Janney. She will always be Daddy and Momma's "Little One". She is survived by her siblings, Allen (Chris) Janney; Dennis (Debra) Janney; Sheryl (Kerry) Hunter and Greg Janney. Predeceased by her grandparents, Bunyan and Evelyn Janney, Catherine and Thomas

Peggie and her brother, Richard Janney. She leaves behind so many that meant the world to her including many nieces and nephews, cousins, friends, and her extended family whom she has adopted throughout her life.

Due to complications from COVID-19, a private memorial service has been moved to January 29th at 1:00 pm. The service will be livestreamed with the following link: <https://youtu.be/-8veWEZ9ens> and the link of the service will remain available.

To honor Lisa's dedication to American Red Cross, we encourage everyone to make an appointment to donate blood as you are able.

In lieu of flowers, donations may be directed to All About Animals Rescue <<https://donatenow.networkforgood.org/allaboutanimalsrescue?code=On+Template>> or a charity of your choice.

*I met Lisa through Randy, she was such a kind, loving, sweet little firecracker, she would definitely give way more than she expected. She was a great devoted momma bear to her son's, Luke and Brett. She was an angel walking among us here on earth. Now she's walking beside God. She will truly be missed and forever loved. Fly high sweetie ❤️*

*Lisa's passing has left a hole in my heart that will never heal. I try to remember all the great times we had playing pool, sitting around a campfire and the canoe trips and nascar races we went to. Lisa and I went thru some really tough times and some really good times. I believe in my heart we will meet again. Until then Rest In Peace my love*

*Such a sweet and kind woman. Lisa was part of our family and always had a kind word, a funny story or remark, a smile, and compassionate heart. My nephew David brought her and her boys into our family. Rest in peace dear sweet Lisa, I will miss you until we meet again on the other side of eternity.*
