“ I am truly a very lucky person to have had him as a father in law, he always treated me as a daughter. We had so many good times with him from camping and spending time together at family get togethers he loved spending time with all of us and always made us feel so special. I am so grateful to have the 44 years I spent loving this man as a father I am truly going to miss him with all my heart.

“ There are many memories I have from my life I have with my grandparents. From weekends camping, to holiday/family get togethers, to random dinners just to get the family together. I think my favorite memory is going to the sprint car races with my grandparents as a kid. I had so much fun and enjoyed the solo time/memories with my grandparents.

*My grandfather loved his family very much and was always proud of all of us. He was the best grandfather anyone could ask for, and I am thankful for the time we got to spend together. Rest in heaven, Grandpa.*

“ It's really tough to share just one memory that I have of Lloyd. The man was a great friend to me and my children. Some of the best times we had together were when the whole family was together. Holidays, summer BBQ's, the Dunbar family reunions, and the many motocross races we traveled, and our trips to the casino during the Christmas holidays all come to mind when I think back. I will keep these memories in my heart forever.

These past few years he has enjoyed getting to see his great grandkids very much. They always brought a big smile to his face.

I will miss him.
