Meredith Family—

I am so sorry for your loss. I had the pleasure of being one of Logan's teachers. I will always remember him as a kind young man. When he had the chance, he would write about his family and his time spent in Pentwater. It was clear to me that they were special times for him and that family was an important part of his life. My thoughts and prayers are with you during this difficult time. I hope your happy memories of sun-filled days on the dunes will bring you some comfort. Know that he will be missed by many.
