“ *My prayers are with the family of Lois Brown. We were her neighbors for many years. She was always working on her yard and flowers. I admired her spunk and her ability at 89 years old to still keep moving and doing things she wanted to do. She was always so very friendly and kind. I'll miss her bright smile. I pray that you find comfort in all of the wonderful memories of her. I'm going to miss her so much.*

“ *My sincere condolences to the Brown family. I've known Lois my whole life and grew up with Wayne and Pat. Many of my best childhood memories include Lois and her children. I know this is a very difficult time but hope all of Lois' family and friends look back and smile thinking of all the great memories with her.*

Sending love, thoughts and prayers to all.

“ I have known Lois since she married Bob and came to live on Connecticut street. She became step-mother to Bob's first three children, then had 3 children of her own. There were so many things the Bettis kids and Brown kids did together and in the process, they became like family to us. Playing in the swimming pool, with Lois and Mom watching over the children, Friday nights watching movies and eating pizza, playing outside with the mother's keeping an eye on us. The Brown family was such a large part of our family, because of Lois's kindness in being there for the children. Lois was one of my mother's closest and longest friends. My own daughter, Joye, became good friends with Tim and Pat when they came along, and the get-togethers continued. Lois is in our hearts and minds as the Brown family says goodbye to her at this morning's service.

We love all of you and wish you wonderful memories of your mother.

*Fondly,
Bonnie (Bettis) Patrick*
