“ *We received word of the passing of Lois with mixed feelings of sorrow and relief. Sorrow at the passing of a wonderful wife, mother and friend who devoted her life to her family. Relief for all of you who cared for her these many years under the terrible burden of her Alzheimers affliction. We witnessed the love and care that your dad demonstrated for his beloved Lois and saw the tears and pain he endured during her illness. They are together now and forever and in that we rejoice for them. Ann and I applaud your choice of memorial and Karen whose address we have should receive notice of our support. We are unable to pay our personal respects at this time but please be assured of our love and prayers for all of you.*
