“ I met Lois a few years ago through my friends, Don and Jean. They had talked with Lois about volunteering her time at a garage sale for Silver Lake Animal Rescue. She said she couldn't do much but she would help out. Help out she did! It was great having someone sit at the checkout table - converse with the customers and keep an eye on our jewelry! I was so good of her to take time to help.

My prayers are with her family. She was such a special lady!
