“ Jim & I are thinking of you and praying for you at this time of your loss. We regret we could not make it down to see all of you. I will always remember spending holidays with you. You continue to be in our thoughts and prayers. Love, Jim & Dora

“ To the family of my dear sister Eileen who was like a mother to me after we lost our mother when I was 24, she took over and mothered me. I can also remember as a child she was always there for me too. Neil & I talked about all we learned from your Mom & Dad after we married and raised our family. We have always treasured the fact that you kids always included us in your family affairs when we were able to attend. I can remember how we enjoyed many Christmases with all of you, thanks to your Mom. You are a family to be proud of in all you achievements and I hope you do remain as close as you have always been to each other and I feel your mom and dad had a lot to do with that and I know you all respected and loved them very much. Love to you all. Aunt Mary & Uncle Neil .
