“ I was sorry to hear of Lori's passing and remember her well growing up two houses away from the Smith family on Parkhurst. I used to hang out with Bruce and my brother Tim played with Kevin and my sister Florence used to play with Cindy. I know this is a sad time for the family but seeing Lori's name brought a smile to my face and a flood of memories of happier times. I did call my brother and sister to let them know and not only did they remember her but we all had some stories to share about growing up with one of the Smiths. Your mothers cakes,banana bread and those sugar eggs she always made around Easter that everyone loved. We are all very sorry for your loss and Lori will be in our prayers. John Leon

“ Lori was such a special child of God. She remained his child for her entire life. She is now singing with the saint.
