“ *Auntie Rell, I hope you were happy with the way everything turned out. I thought you looked beautiful. Kelly and Holly did good. You have many reasons to be proud of all your girls, and their children. Matt is such a bright young man, he's really going to do well, Joey has a heart of gold, Lauren is turning into a beautiful young woman, and Rachel and Timmy have smiles to melt your heart. But you already know all that Thank-you for all you've ever done for me and my family. You are the most nurturing person I have ever known. I will miss you til the day I die. I hope you are at peace, don't let Jan and Gennell give you a hard time. Give Grama and Uncle Louis a big hug for me. And everyone else, too. I love you. Jennifer*

“ *Mom, I hope you find the peace, love, forgiveness, and security you so much wanted in the arms of the angels on your continued journey. I am glad we had our time together last year. Bittersweet though it was. As your friends and family are gathered together at this time, they know you touched many lives in many different ways. I hope you can find it in your heart to be my guardian angel for just a little bit. Bonnie*

“ Auntie Rell - You will be greatly missed. I always enjoyed our visits together and now feel an emptiness knowing that you are gone. I cherish all of the time we got to spend together. Words can't really express what it meant to me to know that you always loved and supported me in everything I did. May you now rest in peace. Miss you and love you always - Brittany
