“ Mom, there are so many memories that I can't share them all. However, I wanted to let you know that you were a wonderful mother and I appreciated all that you did for us as we grew up. Life wasn't easy but you always found a way. I so loved our dinners together as a family. I remember that bell that you would ring to let us all know in the neighborhood, it was time to come home for dinner. Life back then consisted of just a few blocks north of our home where you could find us kids playing. You worked a full time job and did the laundry, shopping, cleaning and then you came home and made us all a delicious dinner and always with a home made dessert. You were the best and I miss you and wish you didn't have to leave us when you did.

Your daughter, Gail
