“ *Dear Gary, Joyce, and MaryAnn, Your mother was one of the sweetest Aunts I had. She and your Dad were also one of the best looking couples around. She is now in a beautiful place, devoid of pain, and enjoying the love of your father and her family once more. Her absence will be difficult for you all, but know, she has been preparing all her life, for this heavenly reward with her God and Savior. Don't be sad, she is happy and at peace.*
