“ *We'll miss you 'Sis'. It's been a long haul, but it's going to be much easier now. We never did get to go for Chinese! But we have great memories. We love you. Ceil*

“ *I spent so much time growing up over at the Phillips' house, Loretta "Mrs. Phillips" to me for most of those years was like a surrogate mom to me. I'll always remember the fireworks parties in the summertime, playing "Marco Polo" in the pool, stopping by to play with Henry, Halloween and Christmas in the 70s 80s.... Through it all, Loretta was giving us hugs and watching out for me and the rest of the gang. I'm going to miss you, Loretta. But I know that you're watching over me now, keeping an eye on how we're doing. Our thoughts and prayers are with your family in this difficult time. Loretta was and always will have a special place in my heart. Love, Frankie*
