“ So sorry to hear about your Mom. What a great lady! She's through the pearly gates before us all. She sure made a difference in so many lives through her genuine kindness of love for others. She helped raise a beautiful family that all walk in her footsteps. She will be missed.

“ To all of the Okoniewski family, I am so sorry to hear of your Mom's passing this past week. You know she and Bert are back together again and happy. I have many happy memories of Loretta and your Dad while growing up, from St. Lawrence, flying and more things our families did together. You know this is what she worked her whole life to attain!

“ Every year I looked forward to my piece of gum on my birthday. It is amazing how the little things in life can have the largest impact on us. That simple gesture every year reminds me of the poem footprints in the sand. With Loretta always being there no matter where I was in life with her kind words and a stick of gum. God bless.

“ As godmother to our son, Paul and spiritual mother to our family, Loretta never failed to let us know how important we were to not only her but to God. She faithfully sent birthday cards to my six children with a stick of gum inside and the message that God loves them and so does she. This card was most anticipated of all birthday gifts and brought much fun over the stick of gum. Her simplicity and pleasure in loving and serving God is her legacy to our family. When we visited with her this last December, she did not know us. We were with her during her lunch and her table companions kept up a lively conversation. When we were leaving, Loretta stood up and gave John and I her "hug, kiss on the cheek, and blessing with the sign of the cross on our foreheads. Then she set off to find Theresa. Always, she gave such Joy to us. Blessings to you as you find comfort in knowing your mom's life touched so many, one person, family, group or church at a time.

“ Aunt Loretta will be greatly missed. She always had a kind word and prayer, She and Uncle Norbie raised a beautiful family and both were such good role models. As did all family members, we looked forward to the Oplatki at Christmas and her notes and cards. She always had so much joy and love to share and she gave with such beauty and grace. God has another angel in Heaven and we were so blessed by knowing and loving her during her time here on earth. Shirley Oakie Milatz and Family

“ Did not know Loretta personally but know she was a very thoughtful woman. When my child suffered a serious accident, she sent her cards of love and support, almost daily , always a stick of gum or a treat of sorts to lighten her day. She surly is in heaven today.

“ My aunt was very good to my whole family. Everyone waited for her cards for a birthday, anniversaries and special occasions and the prayer notations each contained. It was a pleasure to visit at their house and at family outings. She will be remembered in all our prayers. The Oakie and Boman families.

“ I just have to leave another message. I always wondered why Loretta had such a special place in my heart and tonight when I got home, I found out why. My mother's father, Theodore Shubert, and Loretta's mother, Anna Shubert Peruski, were brother and sister. So we were very distant cousins. My mom knew her sister Maryann and had visited Maryann before her death and had actually gotten to have a nice visit with all 3 of the girls, Loretta, Maryann & Isabella that day. It is such a small world and it is just wonderful how God works!

“ Loretta was a patient of ours here at Shelby Eyecare. I always looked forward to seeing Loretta and taking care of her. I will miss her smiling face greatly. She always had a hug and a smile and a "Bless You" for us. I was very glad that I got to give her a big hug the last time she was in.

“ Loretta has been our friend for over 50 years -- and our parents' friend even longer. Her focus was on serving God, her husband, family and her church. She radiated God's love wherever she went and she was a wonderful example to all. A well prepared lector in our church, we looked forward to her proclaiming the Word of God. Loretta loved unconditionally. Our sympathy to her family.
