“ My beloved Angel Sister....I will love-you forever and you will be in my heart forever or until-we meet again in Heaven.....I miss you so much and loved you so much my precious sister Lorraine.....I was so lucky to have you for 80 plus years I never thought I had to live without you..... never dreamed I would lose you-so soon....you were so active and did so much ,Roseville seniors love you, so active there and helping drive everyone around, you were an excellent driver, so patient with everyone.....I just hope you are happy wherever you are, with late Husband Tom and others that are gone to Heaven also.....we were suppose to go to Las Vegas one more time, on your 90th birthday... my children Rosemary, Linda, John, miss you also....so does Ketoosch, he is doing fine, thinks he owns this house...your bedroom is now his.... , plays with his Sister kitty Sassy , they run-around chasing each other.....if only I could see you one more time is my wish and I wish you could see how great my children did with your Townhouse.....that was a great, healthy place to live.....also to see Keetoosch so happy, but he still misses you, your scent is in the bedroom and he knows it.....some of your angels and belongs are still there and he sniffs you....he comes to me because I feed him, but he knows his Mama is not there.....he loves John....he greets him in the morning before he leaves for work....
Love forever your Sister Delores.....

“ Lorraine, always known as "Auntie" to me, will be forever missed. She brought joy to everyone she knew. She was always ready to help out and a constant in my life. I loved her dearly. I really cannot imagine a world without her in it.

PS

I am so sorry to read this notice of Lorraine's passing. I met Lorraine in 1958 when we both worked for The Prudential Insurance Company in Detroit. We were good friends there for many many years until I moved away in 1981 and even after than we continued to exchange birthday and Christmas cards for many more years. Last year though I didn't receive a Christmas card which was unusual. Today, as I started once again to work on my Christmas cards list I came to her name, I searched and found her obituary. She was a special friend for a long time and I'm saddened at her passing.

“ *I was saddened to learn of Lorraine's passing. However the memories are beloved. She was quite the decorator at the Roseville-Eastpointe Recreation Authority! I will always remember her love of playing cards regularly! May she rest in peace with the angels in heaven.*
