“ *Nancy, Ed, and Marty... what wonderful memories we have of your Mom and Dad sharing our family's special events and occasions...weddings, anniversary celebrations, and just coming out to the cottage to have a good time..All the Wierzbowski's have you in our thoughts and prayers during this difficult time. Your mom had the most beautiful smile!*

“ *Dear Nancy, Ed & Marty, It has been many years, but I have often thought of the entire Piet family and some of the neat times I had at your house. I remember your mom as such a vibrant, positive and loving lady. I can still remember the how surprised I was that your mom served cream of mushroom soup for lunch when my mom only used that soup for a gravy. I thought that was really amazing! I also remember her long, curly black hair. It was so thick and dark. I send you all these greetings to let you know I was thinking of you all and praying that you will remember the wonderful times and the caring things your mom did. She was a neat lady. Jo Ann*
