“ About 10 years ago, we shared a fun weekend at our home in Indianapolis with "Uncle Lou" Atkins, as my husband and the Beausir boys called him --he walked all around my house with me and taught me how to recognize how much my trees grew in the last year and named every tree in our yard, and threw in lots of pruning tips. We watched a Spartans football game with my mother and father-in-law in the basement and had a few adult beverages and lots of laughs. So glad to have been able to get to know him and "Aunt Normie".

“ I was saddened to learn of Lou's passing. Lou was my first trainer as I began my career with the Michigan Department of Agriculture. I learned a great deal from his knowledge and experience. My condolences to his family.

“ We've known Lou for years through our church and will miss him very much, as we still miss his dear wife Norma.

“ I have so many wonderful memories of Thanksgiving and Christmas dinners with Uncle Lou and Aunt Norma. He will always have a place in my heart and I KNOW that I will see him again!! I'm sure it was a great reunion with his bride of nearly 50 years!
