“ Lou was my 65+ year friend that will dearly be missed. We graduated from Southfield HS 2 years apart. We rung door bells on Sat/Sun nights for a bit of fun in the early days. Lou was 1 straight shooter. Whatever he said to you it could be taken to the bank; Judges did in trials. He helped so many people. He lit up our monthly HS lunches & past VFW dinners. Lou was 1 proud vet & gave his all in our country's needs. He was proud of his family & German Heritage; speaking some German from time to time. He made this earth a better place to live. I hope to meet up with him 1 day & have a few beers while going over worlds issues.

“ Lou was the most generous man I know. At Christmas time Lou purchased dozens and dozens of bicycles for needy children in his community. Lou spent many hours assembling and fine tuning the bikes so each bike was perfect when they were delivered at Christmas. Viewing Lou's life I watched man who also the most generous to his friends. When I was around Lou I felt like each and every day was a gift and today is Christmas. Simply put Lou you loved you country and took care of your family.

“ Lou was a funny guy, his sense of humor will be missed. I'll never forget I was with him watching the terrible events of 9/11 live on tv when they happened.
