“ i write this through tear-filled eyes, as Louie was truly my first 'real' love! i have been staring at his picture for a day and a half now trying to think of what to say! the memories are just flooding my mind! he taught me so much as a young girl {mostly about music}, which i have brought with me all these years. to this day, it is a major part of my life! the last time i spoke to him, which was a few years back, i felt like that giddy 15 year old girl that had just met and fell in love with him all over again! MamaFran & DaddyGeorge, my heart is aching for y'all right now and you've never been far from my thoughts, even after all these years! i will continue to pray for Him to give you strength to make it thru! i love you all!

“ John and I worked with Lou at Hudsons at Lakeside Mall. Lou was always fun to be with and was a hard worker. One year on my birthday he rented a car and took me to Big Boy for dinner. That is something I will never forget. We are very sorry for your loss.

“ Our prayers are with you through this very difficult time. I know what a long and hard fight Louis fought. I hope and pray that one day parents like you George and Frances won't have to go through this. But for now you give me the strength to help my son through this battle. You both are wonderful examples and I am truly sorry for your loss.
